About us

We cover the Globe

Inter-Fret Consolidators (Pvt) Ltd being among the leaders in providing professional solution of speedy transportation to its valued customers in Pakistan and beyond. Managed by some of the most experienced personnel in the aviation trade, Inter-Fret rightly claim to be among the top 5 most competitive and service oriented freight forwarding organization based in Pakistan (**rated by IATA**), having a network of more than 250 destinations world wide.

IFCL is being the only freight forwarder in Pakistan who has been accredited for IMS certification (Interrogated Management System) for Quality, Environment, Health and Safety as follows:

Quality	:	19001:2000
Environment	:	14001:2004
Health and Safety:		18001:1999

IFCL offers comprehensive services in the field of Supply Chain Management & Logistics and always meet the expectations of its customers round the clock with an ease. Located in the heart of Karachi. The 15 minutes drive from Karachi International Airport and Karachi Port makes IFCL very accessible to its clients round the clock. Not only in Karachi but also in Northern areas of Pakistan IFCL offices are located near by Airport.

Afghan Transit

Since Pakistan is one of the countries used to transship cargo to Afghanistan, we have comprehensive knowledge and expertise in the different transport possibilities. Our team of freight forwarding holds the best possible solutions to send the goods at destination with very economical price. We can arrange transport to most of the cities including Kabul, Kandahar, Mazar-i-Sharif, Herat, Jalalabad and also Bagram.

The route for the transport of cargo is usually Karachi- Peshawar Dry Port or Karachi- Quetta Dry Port. We hold the best man power to handle the heavy transportation from these origins to destinations.

- We have been handling air shipments from Pakistan to Afghanistan including all the customs clearance.
- Shipments by sea are handled by the expert Import staff with all the Customs Clearance facilities provided with the road transportation to Afghanistan.
